

Terms & conditions

BOAT OWNER REGISTRATION

1) You pay for the number of availability slots that you require,
1 to 10 slots is £45 + VAT (for up to 10 slots not each)
Each slot after that is £4.50 + VAT.
Each availability slot lasts for 12 months.

If you have only one date slot that you wish to advertise, then the cost is £45 + VAT, or you can advertise 10 date slots for the same price. If you advertise the same dates for either a 3 or a 7 night stay, this is 2 date slots. If you fill one date slot you can replace it with another date until the end of the 12 month period when the slots expire.

e.g you advertise your boat for 10-17 June and it gets booked but you have another date 21-28 September that it is empty and which is not being currently advertised on our website- you can delete the 10-17 June and replace it with 21-28 September for no extra cost.

If you decide to add more slots in a few weeks or months time then you can contact us and pay an additional £4.50 + VAT per slot. These slots will have an expiry date of 12 months from when they are added to your webpage. So if you purchase additional slots they will expire at a different time to the original slots.

2) Once you have registered online you will be sent an e mail to verify your registration which you do by clicking a link on the e mail. Once you have clicked on the link in the e mail you will be directed to our website where you will have to enter a password to complete your registration. Please then provide Owner /Business details by clicking this on the menu and Boat information under My Boats on the menu. Enter whatever text you want about the oYou can enter the details for your boat/s with up to 3 paragraphs text per boat with details of the location and features of the boat and canal routes around that area. You can provide a URL for the thumbnail photo/s of the boat/s which will be re-sized to 100 px x 100 px and 3 other images per boat which will be re-sized to 300 px wide or e mail them to us if you prefer.

To buy availability slots, click on BOAT AVAILABILITY for your boat, the click on ADD more availability slots. Enter your name e mail and telephone on the next page where prompted and a message telling us how many slots you wish to buy (minimum of 10). We will then e mail you an invoice which you can pay by bank transfer or cheque. Once paid the slots will be added and you can add your availability and make it *live*, which then displays under the availability & booking section of the website.

3) If you delete a boat after you have paid for the availability slots these slots will be deleted along with the boat and cannot be reinstated. If you click on **delete this boat and it's availability** you will be warned of this before you click yes to delete or no to not delete.

4) Once you have logged out of the website you can log back in to amend or look at your details and slots advertised by going to the website www.narrow-boating.com & click **Read more** under the Boat Owners section on the bottom right of the home page & then on Login on the top right of the screen.

5) We will provide you with a dedicated web page for your narrow boat and your boat will appear under the AVAILABILITY & BOOKING section for the dates you have advertised, and a description of the boat will also be displayed under the BOATS and the FLEETS sections.

6) Any enquiries we have in our booking office which come in from this website which match your vacancies will be forwarded to you by e mail. Also any enquiries that we receive from our other

websites (60 + at the moment) which cannot be fulfilled and for which we cannot offer availability to match the customers requirements, but which match your availability and boat will also be forwarded to you by e mail. We currently have a number of clients including some of the largest hire operators in the country and we receive a great number of enquiries every day by phone and e mail which can be passed onto you where appropriate.

7) If for some reason the website is unavailable because of external reasons we cannot be held responsible.

8) The website is designed to work in all mediums (HTML responsive) eg i phone, tablets ,i pads etc. The website will be updated by our in-house computer team on an on-going basis to keep up with the changes to the latest search engine optimisation.

9) All legal and safety requirements are the responsibility of the owner, including and not restricted to :***boat safety certification, boat licencing, gas certificates, insurance including 3rd party liability, Boat construction standards***. Abacus Reservations does not take any responsibility or liability for the guests or for the booking .
